

Submitter: Richard Roberts
On Behalf Of: Freedom lovers
Committee: Senate Committee On Judiciary
Measure: SB1503

Please do not create a task force of bureaucrats, and take them away from their other duties, that they are already inefficient at. This is a waste of tax payer resources and only serve to grow the governmental body. More government is not the way to solve gun related crimes. Eliminating the pandering and excuses while enforcing the laws that have worked for decades is. Grow up!!!
