Water

Measure: HB4090

Please support Fahley's amendment (HB 4090-1) to prevent a loophole in ORS 469.595 which could negate current law protecting us from the siting of nuclear power plants in Oregon. Please uphold the people's choice to make Oregon nuclear-free, and help protect us from the risks of nuclear contamination of our environment. Again, please vote Yes on 4090-1. Thank you.
