

Submitter: Nita Brueggeman
On Behalf Of: Supporters of 1503
Committee: Senate Committee On Judiciary
Measure: SB1503

I have seen and known to many deaths by guns in the wrong place at the wrong times. Guns are the number one reason for too many deaths from suicide.

Pass this measure to protect innocent people from a death that is preventable. Think about your children and loved ones when you vote on this legislation.
