

Submitter: MARK ZIRKLE

On Behalf
Of:

Committee: Senate Committee On Veterans, Emergency Management, Federal
and World Affairs

Measure: SB1577

I OPPOSE SB1577. Oregon's data exposures of 2023 and prior have not been addressed properly. I see this opening a door to more non-residents getting registered to vote.

Lets do what is best for Oregon. We don't need undocumented voters.

Thank you for doing the right things that helps all of Oregon!!!

Mark Z
