

Submitter: David Wall
On Behalf Of: Mr Oregon SUPPORTS SB 1514
Committee: Senate Committee On Labor and Business
Measure: SB1514

I SUPPORT [SB 1514]!

A little over one year has past and now the Department of Employment is going to be required to "...to conduct periodic assessments to determine the solvency of the Paid Family and Medical Leave Insurance Fund."

What happens if the Paid Family and Medical Leave Fund Insurance runs out of money? Who pays?

"The Paid Family and Medical Leave Fund Insurance" provides a much needed service but...should only apply to citizens of the United States of America. After all, citizenship should have its' privileges. No Illegal aliens should receive any benefits.

Let us all hope no one suffers from a lack of due diligence.

David S. Wall

Mr. Oregon Concurrs, "The Paid Family and Medical Leave Fund Insurance is a very good idea but, I don't want to pay for it. Let us al hope employers are held accountable."
