

Submitter: David Wall
On Behalf Of: Mr Oregon SUPPORTS SB 1580
Committee: Senate Committee On Labor and Business
Measure: SB1580

I SUPPORT [SB 1580].

One would think, if just for a second the intent to commit Fraud as applied to [SB 1580] would be a serious Felony with mandatory jailtime combined with draconian fines.

But this is Oregon.

I'm glad [SB 1580] begins to address this category of Fraud and I hope the Legislature would agree with my idea of requisite punishments designed to hurt and deter.

David S. Wall

Mr. Oregon Concur, "I support boiling the perpetrators of Fraud in oil but, I'll settle for mandatory jailtime and draconian fines."
