On Behalf Of: Candidate for Marion County Clerk

Committee: Senate Committee On Veterans, Emergency Management, Federal and World Affairs

Measure: SB1577

I oppose SB 1577. Voting is reserved for Oregon Citizens, many people who apply for Oregon colleges do not qualify. I support their right to an education but Oregon has other ways to register to vote that are available, easy to do. I would hate to have a new foreign student accidentally fill out the voter registration not realizing they don't qualify.
