

Submitter: Robert Herman

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure: SB1520

To whom it may concern: Please pass SB 1520. After paying State & Federal taxes and attorney fees, there is very little left to rebuild our lives. We lost everything including our beloved dogs. Thank you ahead of time for considering the victims of wildfire disasters and our plight. Having our taxes returned will literally will make the difference between success and failure into the future. Or at the very least make our chances rise to the occasion.
