

Submitter: Andrea Bullock
On Behalf Of:
Committee: Senate Committee On Education
Measure: SB1583

I write to offer support of and for diverse viewpoints and representation in school textbooks and instructional materials. If there is a law banning discrimination against these groups: [(1)] (a) Are Native American;

[(2)] (b) Are of European, African, Asian, Pacific Island, Chicano, Latino, Middle Eastern or

Jewish descent;

[(3)] (c) Have disabilities;

[(4)] (d) Are immigrants or refugees; or

[(5)] (e) Are lesbian, gay, bisexual or transgender

Then that supports the inclusion of these groups in the curriculum of our schools to build a fuller understanding of our history and community. It is important for students to consider different viewpoints and consider the impact of underrepresented groups. This leads to better informed and compassionate citizens which is a goal for public education. Please support this bill.
