

Submitter: Gilion Dumas  
On Behalf Of:  
Committee: Senate Committee On Education  
Measure: SB1583

I write in opposition to 1583. The bill would take curriculum control away from local school boards, contrary to the entire educational structure that vests primary control of local schools with elected school boards. This bill is hasty and the issue deserved longer, broader consideration instead of being rammed through in this short session. Please vote no.
