

SB1583 is ANOTHER action by this State of Oregon to force it's citizens to comply with inclusiveness in every aspect of our lives.

LEAVE US ALONE !!! You are treasonous in your actions to circumvent the rights and privileges provided to us by the Constitution of the United States. YOU have NO RIGHT to infringe on these rights, and YOU should be treated as an enemy of the population of America.

It is terrible enough that that we have a incompetent so called president that is manipulated by Obama in the background, but YOU are so upfront in your actions that WE, THE PEOPLE, should be at the very least impeaching all of you that work on a daily basis to override our rights.

You should be ashamed of yourselves, but you are too blind to the rights of the people, and too arrogant to know what you are doing. You just plow forward with no regard to common sense and decency.

Kill off this bill and check yourselves into prison as that is the only place you belong.
