On Behalf Of: Mr Oregon OPPOSES HB 4158

Committee: House Committee On Early Childhood and Human Services

Measure: HB4158

I OPPOSE [HB 4158] WITH EXTREME PREJUDICE

\$10 Million Taxpayer dollars to create a FUND issue Grants to "Small Center Child Care" commercial enterprises.

\$500K out of the \$10 Million is allocated for administrative requirements.

How is a "Small Child Care Center" providing "Child Care" for up to 75' children considered to be a small child care operation?

Government has "NO" business creating a de facto child care entitlement program with Oregon VOTER approval?

People who choose to bring a child into this world are responsible for the care of their children-save severe injury or death of the responsible parent(s).

David S. Wall

Mr. Oregon Concurr, "[75] children receiving care by one provider-Orphanages could provide better child care."
