

Submitter: Laura O'Neil

On Behalf Of:

Committee: Senate Committee On Education

Measure: SB1583

Please support SB 1583! I truly believe that my job as a librarian is to help youth, and everyone, become global and knowledgeable citizens. Banning books or access to informational resources restricts my ability to do just that. This bill allows me, as a librarian, to ensure that youth, and everyone, can access the information they need to become that global and knowledge citizen without fear of reprisal or retribution. So, please pass and support SB 1583!
