

Submitter: Debra L Haseleugunter
On Behalf Of: 1520
Committee: Senate Committee On Finance and Revenue
Measure: SB1520

Please pass for all fire victims that have had to move out of CA because of a fire that took their homes. The extra money would help them through these hard times. I am also a fire survivor and I know the importance of this being passed. Thank you,
Debra L Haseleugunter (camp fire 2018)
