

Submitter: Laura Iwanaga

On Behalf Of: Self

Committee: Senate Committee On Natural Resources and Wildfire

Measure: SB1590

The repeal of weight limitations on Watercraft will permit the destruction of habitat. I live in a floating home. The impact of Wake board boats is devastating to the shoreline and disruptive to all other Watercraft. Just try to navigate a boat a canoe, a kayak or jet ski in the vicinity of a wake boat. It endangers the safety of smaller craft and erodes the shoreline. Stop this madness.
