Thank you for accepting my comments; As a paddler and boater I have personally witnessed the destruction to our river banks caused by a select few. Unfortunately we don't seem to have the resources to isolate the few so the many have to bear the burden. Only a few "hotdoggers": cause the damage, but it harms our river life and personal real estate along that part of the river.

I'd like to see the violators punished, but we don't have enough law enforcement, so second best is we ban the wake boarders from the Newberg Pool.

Thanks,
