Committee: Senate Committee On Natural Resources and Wildfire

Measure: SB1590

As a kayaker, one of my favorite places to paddle is the Newberg Pool stretch of the Willamette River. The scenery is calm and beautiful, and much wildlife can be viewed. On one trip I saw 13 great blue herons! I am saddened that this quiet serene environment could be deeply degraded by large and loud wake boats. The destruction to shoreline and surrounding habitat is heart breaking and shameful. Please, please, please do not repeal SB 1589!
