Measure: SB1576

Support for Recreational Immunity Fix Amendment to SB 1576. My name is Kayleen Warner and as a hiker and lover of Oregon's outdoor spaces I ask you to pass SB 1576-3 with language that clearly restores recreational immunity for public and private landowners and clearly applies to both improved and unimproved trails. Please protect those who open their land to hikers to enjoy without fear of lawsuits. When I hike, I take full responsibility for myself and my fellow hikers do the same. If I were to become injured that is on me and I would not sue anyone. Fear of lawsuits has created a situation whereby the enjoyment of many activities has been reduced. Please do not let this happen by protecting the immunity of recreation.
