Committee: House Committee On Rules

Measure: HJR201

VOTE NO ON HJR 201 – NO STATEWIDE PROPERTY TAX

Just another way Government goes around existing laws to grab more money for their insatiable appetite.

Oregon is already one of the highest tax states and I have no faith they will spend the money efficiently

We have had these same homeless problems for 40 years, (but to a lesser extent) and government

has never solved the problem or made it better...it just keeps getting worse by their own policies.

I am a senior on a fixed income. Stop burdening Oregonians with more taxes!
