

Submitter: MARGARET ANN CROWDER

On Behalf Of:

Committee: House Committee On Rules

Measure: HJR201

The electorate has spoken with MEASURE 5! How dare the Oregon Legislature try to subvert the will of the People of Oregon with this smash and grab bill! Oregon property owners are stretched to their limits! This would be an incredible hardship on most property owners in Oregon, especially senior citizens on Medicare like myself and my husband. An underhanded tax like this is very discouraging to the young people of Oregon wanting to become first-time home owners. This is nothing less than underhanded theft. The State of Oregon has been mismanaging tax dollars far too long. The list of missing funds and misappropriated funds is disgustingly lengthy. Oregonians are moving away from this overly-taxed state just like Californians are leaving their state. When all the tax payers are gone, who are you going to rob then? THIS IS AN UNFAIR ATTACK ON THE TAX PAYERS OF OREGON. MY MESSAGE TO THE COMMITTEE: NO!!!!!!!!!!!!!! ON HJR 201.
