

Submitter: Joyce Gross

On Behalf Of:

Committee: Senate Committee On Education

Measure: SB1583

I strongly support this bill and feel it is important that public schools are allowed to choose the materials that best meet the needs of their students. Freedom of expression is an essential part of a vibrant democracy and any attempt to erode that right will weaken our democracy. While a vocal minority may object to certain textbooks, instructional materials and library books, they should not be allowed to limit the choices for everyone.
