

Submitter: K Ward

On Behalf Of:

Committee: House Committee On Rules

Measure: HJR201

I am retired, on my own and on a fixed income. I would be unable to continue to stay in my own home if this measure is approved or be able to afford rent. If this pass is will contribute to more homeless people including seniors. Over and over Eastern Oregon has been outnumbered/voted by metropolitan voters then the rest of the state on fair or equitable items.
