Measure: HJR201

I oppose this bill! This bill would effectively destroy Oregon homeowners by causing such a tax burden, that it will be unaffordable to buy or sale homes! Oregonians already pay some of the highest property taxes in the country. We can simply not afford to pay more. The cascading affects of this bill are insurmountable to All classes of people living in Oregon! STOP the taxation without representation! You politicians called to Defund the Police, and now you want us to pay and reverse your Bad decisions. NO! Homeowners should not be forced to burden the tax that should be applied to all Oregonians.
