I strongly oppose the proposed property tax. Democrats are already taxing people out of their homes because property taxes are a high burden on top of everything else.. Now you want more money to supposedly help the homeless?!! The lawmakers in this state are the biggest cause of homelessness! You are making this state unaffordable through your policies and taxation. Greedy politicians are constantly trying to squeeze every penny out of Oregon's citizens. The so-called anti-capitalists are the most money-grabbing and greediest of all because they are constantly coming up with more schemes to take our hard-earned money. This state has been taken over by corrupt idiots. NO ON THE PROPERTY TAX!!!!
