We are a married couple 85 and 81 like most seniors on a very tight fixed income, our one vehicle is 15 years old and our property taxes last yr were \$3,000 dollars. If we have a hard time now what will they be when you take over? I perceive we will lose our home and have the state take care of us maybe have to commit crimes so we can be housed, fed and our medical taken care of. We need taxes cut and government to live within a budget like the rest of us have to. Robert MacMurray PS. We are not your piggy bank
