NO to HJR 201! We are paying higher taxes than any other state. These times are hard for us older property owners on fixed incomes. Barely able to buy food and pay for everyday living expenses. 2008 stole my retirement after rolling over IRA. This county is not in the medicare food or utility allowance everyone talks about. Are they trying to tax us right out of the only things we have left like our home? Absolutely NO NO NO NO!
