

Submitter: Joyce Nease

On Behalf Of:

Committee: House Committee On Rules

Measure: HJR201

In 2020 during the Portland riots, Democrats were defunding police departments right and left. One of the reasons given was to redirect funds. So they did. They redirected tax dollars to pay for other 'progressive' woke projects. Now those Democrats want to increase taxes to what? Refund the police? NO! Get the money back from your anti-common sense agendas!

NO on HJR 201!
