

Submitter: Trudy Langston
On Behalf Of:
Committee: House Committee On Rules
Measure: HJR201

I am so sick of all the taxes!!!! We are 2nd highest taxed state in the union. What the hell are you doing with our money? We aren't allowed to ask. Appears to be no accountability. I hope the rest of the people here are finally getting tired of all the lies and the craziness of all the spending and I have no idea where it's going! Streets suck, homeless out of control, addiction out of control (not sure who thought decriminalizing drugs would work. I have 2 brothers who died from addiction giving it free and legally is the most asinine thing I have ever heard are you people really as stupid as the laws and wasteful spending that goes on?), utility bills off the chain, gas prices ridiculous, food I have no idea how families are feeding their kids, lawlessness, no police, and I could go on. Just stop lying, stop taxing us, and do your jobs. Also tell us where all our money is now!!!! How the hell did a CCP member get to buy forest in 2015 for \$65million and we are just finding out about & no one knows where the money? None of this makes sense to anyone with half a brain so I guess most of you have none! Go back to pro and con for heavens sake. Come ask me I would be happy to list them off for you. Legalizing small amounts of drugs I could have not found one pro put I certainly could have rattled off 8-10 in minutes

Just do not pass this I will be voting against anyone who supports spending more money. Just stop

Trudy Langston
