Measure: HJR201

Please DO NOT vote for such a horrible tax!! Seniors are already struggling to pay their property taxes on a fixed income. Renters can not afford the extremely high rent in this state as it is. This is why we have so much homelessness, and this bill would cause more!! You all are supposed to be working FOR us not AGAINST the citizens. taxes need TO STAY in the county that they where paid in. STOP making things worse than they already are!!
