On Behalf Of:

Committee: House Committee On Rules

Measure: HJR201

I oppose this HJR201 - we are taxed enough in this state. Learn how to live within the budget you are given, learn to prioritize how the peoples of Oregons money is spent and more accountability is needed on what is spent on projects to ensure we understand the outcomes of these programs. Cut out all waste. But, no this bill should not leave committee.
