Measure: HJR201

I oppose increased taxes on property that I, as a disabled American Veteran, born in the United States of America believe are only necessary to pad our legislator pockets and for the housing and medicinal care of ILLEGAL IMMIGRANTS who crossed into AMERICA AGAINST OUR DECLARATION OF INDEPENDANCE, our BILL OF RIGHTS, and OUR RIGHTS AS CITIZENS. You also have self inflicted financial need by propigating homelessness and the trash created by your lack of judgement and your lessthan brilliant decision to allow rampant drug use. You are not representing us as you were voted in and promised to do. You are padding your own pockets and turning the USA into a third world country. Shame on you! Not in my Oregon! We balance our household budget on what I have earned. You, as the voted caretakers of our state, need to find a way to live within the state budget, not keep finding ways to add to it, and certainly not by taxing those who scrap by to make budget themselves! Stop importing illegal immigrants and pot the homeless back to work so the get off your endless handouts! You, as our legislators, cannot afford this! You are milking a cow that is out of milk!
