Committee: House Committee On Rules

Measure: HJR201

Finally able to retire and it is very hard to manage with limited income. Douglas county property taxes have sent us on the edge. If HJR 201 is passed it would force us out of our home. With health issues and the cost of medical, it leaves little left to enjoy our retirement. No more taxes, give us a break!!!!
Leave our property taxes as is. Keep the state out of it.
