On Behalf Of: Myself
Committee: House Committee On Rules
Measure: HJR201

No wonder 2/3 of the counties in the state want to secede and join Idaho. Even though Portland, Salem, and Eugene have the most population they can't suck enough tax money from people to pay for the policies they vote in so now they try to force the rest of the state pay for things we don't need or want and have no benefit to us!
