

Submitter: Shirley Spadorcio

On Behalf Of:

Committee: House Committee On Rules

Measure: HJR201

My husband and I are both retired citizens and cannot afford the increases this Bill would allow if passed without the public's approval. As you are already aware, Oregon has one of the highest Property Tax schedules compared to other state.

I feel rushing this Bill through without the citizens approval would be unconstitutional and unlawful.

Please reconsider removing it from your docket.

Sincerely,
Shirley Spadorcio
