On Behalf Of:
Committee: House Committee On Rules
Measure: HJR201

No on HJR201, Oregon's budget has grow at an unprecedented rate the past 10+ years, there seems to be no end to the uncontrolled spending and a thirst for more. We are all ready one of the highest taxed and leveraged fees of any State in the Union, yet those in power want more and more, CAT, one of the highest DMV registrations in the nation, increased fees for nearly everything, "luxury tax" on new cars and many other items, the list of increase or new revenue streams is out of control. Enough is enough. It is past time for the legislative body to get control of our run away spending and live within our means. NO New Taxes, no tax increases. No on HJR 201
