Measure: HJR201

I strongly oppose HJR 201!! I can't even believe you're considering something like this!

I've lived in Portland for 43 years. I am now a low income/fixed income senior citizen. It's bad enough that Oregon doesn't offer any relief from property taxes, except taking out a loan and then paying compounded interest on it!!! I've seen my Representatives do nothing about this issue, other than raising property taxes with more and more bond measures!

PLEASE stop the insanity! You're driving us out of our homes!
