Of:

Committee: Senate Committee On Veterans, Emergency Management, Federal
and World Affairs

Measure: SB1577

To Whom it may concern: I OPPOSE SB1577. Oregon's data exposures of 2023 and prior have not been addressed properly. Last session, automatic voter registration in medical provider offices was passed, which allows access to voting for non-citizens. I also see this opening a door to more non-residents getting registered to vote. The Constitution provides for legal citizens having the right to vote. Please honor the intent of that.

Thank You for your consideration.
