

Submitter: Jayne Simmons

On Behalf Of:

Committee: House Committee On Rules

Measure: HJR201

PLEASE drop HJR201 and do not let it get to vote.

Oregon's property taxes have always been a county payment and we rely on our county to spend our tax dollars wisely on schools, fire districts and local roads, libraries, etc. You will have more homeless, more low-income housing to worry about if our taxes keep going up. This bill is a very bad idea. Our property taxes need to stay here to provide the services we pay for. PLEASE DROP THIS BILL OUT OF COMMITTEE NOW!

Thank you,
