

Submitter: Melody Knokey

On Behalf Of:

Committee: House Committee On Rules

Measure: HJR201

This Bill will increase Housing costs throughout Oregon. In a time that Oregonians are struggling with high inflation and paying higher rents, mortgages, food, fuel and all living expenses this tax will only burden Oregonians more. As a senior citizen, this new tax will be unbearable.

Please vote NO to the added taxes that this bill will produce and more government agencies that will mismanage the money.
