Committee: Senate Committee On Education

Measure: SB1583

Control of what is/isn't allowed in schools (we the public pay for by the way) should be in the PARENTS hands!

Isn't it enough we the people are paying for education for not only the students still enrolled, but also the 30,000 that are "MISSING FROM THE ROLLS"?

Parents are able to be arrested for their children missing to many days.....isn't it time to start arresting those responsible for any and all indoctrination (from Governor to county level)?
