Oregon Legislators, IT IS A HELL NO, ON THE HJ201.

What are you trying to do to us Oregonians with ADDITIONAL PROPERTY TAXES? Do you think Oregonians don't pay enough taxes, when we are already one of the highest taxed in the country?

Is your PLAN to tax us out of our homes so the state can take them? Sure sounds like it to me, and 'we the people' are not stupid. Senior Citizens will be the first to lose their homes, but you can just hand them a tent as you through them out of their homes with no place to go. THIS TAX IS TO CONTROL THE PEOPLE. .

China already owns much of our Oregon Land which they NEVER SHOULD HAVE BEEN ALLOWED TO BUY, but good old Kate Browns trips to China when she was Governor made her a very wealthy person and traitor to America. We need a Governor like Sarah Huckabee to TAKE BACK OUR LAND FROM CHINA.

So is China running the state of Oregon? Anything is possible in Oregon. You can expect a huge push back from us Oregonians! WE HAVE HAD IT WITH THE DIRECTION OREGON HAS GONE IN THE LAST 6 YEARS. No more bullshit.
