

Submitter: Julie Thies

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure: SB1542

I support SB 1542 to Increases the exempt amount and filing threshold for purposes of the corporate activity tax.

I believe this will give businesses the ability to better develop their business, possibly allow for more employees or increase wages and increase their ability to provide services to customers.

So many companies have suffered in the last several years, this would be a welcome relief, hopefully this has the potential to lower prices to the consumers.
