

Submitter: P N Jackson

On Behalf Of:

Committee: House Committee On Climate, Energy, and Environment

Measure: HB4112

My name is P. N. Jackson. I live in Portland Oregon. I am retired.

I would like to leave a legacy for our children and future generations of a climate that is getting better instead of worse.

I support HB 4112, the 2024 Clean Technology Leadership Bill, and the -3 amendment.

This bill will help to attract and expand clean energy companies in Oregon. It will support high paying skilled jobs. We can help fix climate change and provide good jobs at the same time.

I urge you to support HB 4112 and the -3 amendment.
