

Submitter: Fairfield Hannah
On Behalf Of:
Committee: House Committee On Rules
Measure: HJR201

I strongly oppose any new measures that would create yet another tax. As a first time home owner with a young family, new property taxes would greatly impact our ability to financially survive in this state. This is the case for most folks in Oregon. Please consider those living in oregon that are hardly getting by as it is. Get creative with the money tax payers already provide to fund more government projects.
