

Submitter: Lynn Foss  
On Behalf Of: Self  
Committee: House Committee On Rules  
Measure: HJR201

As a long time Oregonian, I oppose this tax. We ALREADY pay property taxes that are too high. You have an overage in tax revenue and yet you REFUSE to return the "kicker" money to us without a fight. How about YOU stay within your budget, account for your ALREADY overspending of our tax dollars. You seem to forget that YOU work for US.
