

Submitter: Sue May

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure: SB1542

I SUPPORT SB1542. We the people have too high a tax burden, particularly the people of lesser means. I would rather the CAT tax be eliminated, so I support the raise in the threshold to protect small businesses and small profit margin businesses. The more exemptions and other special rules, the greater the government administrative burden, and the greater the burden to the remaining businesses, more likely to bankrupt them.
