Committee: House Committee On Climate, Energy, and Environment

Measure: HB4112

Re: support HB 4112 with -3 amendment

Chair Marsh and Members of the Committee,

Please support HB 4112 with the -3 amendment.

This bill would unlock federal funding for local production--and good local jobs-- for equipment like heat pumps, solar panels, and electric vehicles essential for a cleaner, healthier, more sustainable economy and future.

The -3 amendment contains important clarifications.

Thank you,

Helena Birecki
