

Submitter: Matt Borgens
On Behalf Of: Myself and my family
Committee: House Committee On Rules
Measure: HJR201

Oregon homeowners already pay absurd amounts of taxes and fees for the "privilege" of being working, contributing adults in society. I do not want to pay for Portland and Salem trash policies and ridiculous spending.

I ask that this committee and the Oregon government at large remembers it's only objective. To protect and advance the needs and wants of legal, tax paying Oregon citizens.

You will not destroy and alter the Oregon constitution just so you can collect even more money from the people. Get your spending under control NOW.
