Committee: House Committee On Rules

Measure: HJR201

Thank you for your service to our State. I am petitioning you to oppose HJR201 and its endeavor impose a Statewide Property Tax. Our nation is a Constitutional Republic and one of the underlying principles of the 10th Amendment is the decentralization of power, in this case to the States. We have a system of local property taxes defined by local representatives. HJR201 undermines that principle. Thank you for consideration of my comments.
