Measure: HB4075

I OPPOSE HB 4075! We the people have too MANY unelected “authorities” dictating how we live, how much tax we pay, and they do not serve the people. Once such an authority is in place, we the people have no way to control, remove, or demolish out of control agencies or people running them. We do not need a task force to create another unelected agency to place more burdens on the people. Repeal Measure 110 and it would be a good start to public safety.
